O'Donnell	Dick "O.D."	Aug-60	Dec-61	20250	Charlie	dickod1@mindspring.com			Melbourne, FL	My classmates at Goodbuddy thought I was nuts when I opted for Peshawar over Japan but I wanted to get the short tour over first. I actually enjoyed my time at PAS and extended a bit to get home at Xmas time. Never regretted making the choice to go to PAS. Made numerous trips to Khyber and a few to Murree to stay at the Potts' hotel. Bought the requisite number of Wolf Axes and various brass items in the "new" city, frequently ventured into the "old" city to see what was there. I hope to hear from some of the guys that shared the time on Charlie with me. Same goes for anyone at the 6989th in Misawa - I was there Jan 62 - Jan 65.

I've read the entire web site, no mention of the support personnel stationed there to take care of you, your teeth and give you what was needed for medical attention. I personally cleaned everyone's teeth that were stationed there during my tour of duty. After APO 616 closed, we had more medical/dental supplies and personnel than we needed. I 'managed' the bowling alley for a few months in the spring of '62, cleaning teeth at night. Memories: Living in the Gym while the barracks were being built; walking in the rain during monsoon season, water over the shoe tops; Hi-Bi (bye) parties at the pool; the trips to Rawlpindi, Swat, Khyber Pass, Lahore, Karachi at the Salteen (sp) Club, the beach 'hut', body surfing, riding the camels with the Euro Pakistani girls; The GREAT food of the Hotels, crashing parties with the Airline attendants, wow; Jackie Kennedy's visit, wow. Meanwhile back at the 'base'...the outdoor movies, bring your own chair. [cont.]	A1C (E-4)

McKenna	Edward M.	Jun-63	Aug-64	202xx	Charlie					Flew from Charleston, SC via Bermuda, The Azores, Madrid, Libya, Cairo (forced to land there due confusion about flight clearance), Dharan, Karachi, Rawalpindi, Lahore and finally Peshawar in June 1963. Worked 202 in the front room and the back room. Sent the only Flash that I know about. Turned to be nothing but it was fun for a while. During my trip back to civilization in August 1964, missed my flight from Madrid to SC and had to stay in Madrid for 2 extra days. Ended up taking a TWA charter on Monday morning and it dropped me at Idelwild (now JFK) which was home. As it turned out I beat everyone else home due to Charleston's lack of flights. Also ended up with extra travel pay and 2 days additional leave. We frequented the Class 6 store too often on break. Learned about JFK's assassination at about 1:30 AM via the BBC. Interesting work, should have been a 12 month assignment, and gave everyone a much clearer understanding of celebrity.

Abbasi	Aamir	Jan-70	Dec-75		Pakistan Air Force	aamir_abbasi@sbcglobal.net			Mundelein, IL	Just happened to stumble on this wonderful site that instantaneously brought the most wonderful memories of my childhood. I had the fortune to spend my childhood in Badaber. We were the first group of Pakistan Air Force families that moved in right after USAF left. It was a mystery and fantasy land for me to experience a 'mini America' and always wondered who were the people who lived here before us!!!. Any old residents of 1406 ZEBB LARR???? Excited....	
Anwar	Zahid	Jan-82	Jan-90		Resident	zahidanwar@hotmail.co.uk			London	My father was in PAF Badaber (used to be USAF Air Station), I was very young but still have lots of memories. We used to live for the first 4 years in flats opposite bit water tank then we moved to proper houses. Every thing was nice over there. I still want to go again to see that place.

Baseer	Shahryar					shahryar1@yahoo.com			Peshawar, Pakistan	I came across this website while searching for some maps for Peshawar. Although the Badaber station was left by the Americans long before I was born, but the houses and base are still standing and people still talk about the days when the American air force personnel were stationed here. Just wanted to say hello to all the people who were stationed here in Peshawar, my home city. If anyone of you ever want to revisit Peshawar then do let me know I will be very happy to show you around my city. Thank you Mr. Shahryar Baseer
